

Data Protection Statement

We attach great importance to the protection of your data and the careful handling of your personal information. With this data protection statement you give us your consent for your data to be stored, processed and transmitted in accordance with the following provisions. You may withdraw this consent at any time with future effect.

1. Responsible office

The responsible office under the terms of the German Data Protection Act is energieberatungszenrum Süd Ingenieurgesellschaft mbH, represented by the managing director, Raimund Käser, graduate physicist, of Wasserstr. 26a, 68519 Viernheim, entered in the Commercial Register at Darmstadt district court, HRB 62114.

2. Collection and use of your data

If you register with us or order a product, we will ask you for your name and other personal information. We store and process the data that you pass on to us when registering or ordering. We also record and process the following data automatically: the name of your internet provider, the website from which you visit us, the pages that you visit on our site and the time and duration of your visit.

3. Use and transmission of your data

We store and process your personal details insofar as this is necessary for order-processing and billing purposes. In addition to this, we use your data for advertising purposes. We use your personal information within our company. Your data will only be passed on to external service providers insofar as they are required for the service provider to fulfil its responsibilities. The external service providers are likewise bound by the BDSG (Federal Data Protection Act).

We will otherwise only disclose your customer details insofar as we are legally obliged to do so by public authorities or such a disclosure is necessary in order to enforce our rights.

Should you not agree to your data being used for advertising purposes, you may object to this at any time. The data will then be blocked for this intended purpose.

4. Advertising by third parties/links to other sites

ebz is not responsible for third-party advertising and links to other websites contained on our website. We do not send any of our customers' personal details to these organisations.

5. Information, amendment, revocation

We will at any time inform you on request which of your data are stored with us. Furthermore, you may at any time give us information or requests to block, delete or amend your personal data, or revoke any consents.
